Work experience

Pamela Sandler AIA, Architect Stockbridge, Massachusetts

Project Architect

Developed project design for several residential and commercial projects with a range of responsibilities from initial design presentation through construction phase management to ensure design consistency and client satisfaction. Fine tuned inter office project management systems to help stream CA process and lay ground work for future projects. Encouraged implementation of sustainable elements to both working environment and projects based on client budget and needs.

November 2008 – present

Architectural firm (5 person)

Scott Henderson Design Studio Saltara, Italy \ Hudson, Massachusetts

Architect / Sole Practitioner

Established design studio to provide architectural services for private clients and collaboration with other professionals in the design and construction industry. Recent projects include residences in San Francisco (in collaboration with Andrea Ponsi Architetto), Massachusetts and New Jersey, a market analysis report of the US wood window industry for an Italian window manufacturer and an extensive collaboration with a millwork company for Benetti Yachts.

October 2004 – October 2008
